In the name of Allah, Most Gracious, Most Merciful

Message of appreciation and gratitude to
His Majesty King Mohammed VI of Morocco

His Majesty King Mohammed VI of Morocco, may Allah preserve him,
Royal Cabinet,
Rabat

Assalamu alaikum warahmatu Allah wabarakatuh,

The members of the Islamic Conference of Ministers in Charge of Childhood, at the close of its fifth session held in Rabat, the capital of your happy Kingdom, on 4-5 Jumada II 1439 A.H, corresponding to 21-22 February 2018 A.D., are honored to express to Your Majesty, may Allah assist you, their sincerest appreciation, gratitude, and acknowledgement for your gracious patronage of their Conference and for your message with which you have honored them as an appreciation from your Majesty of the noble objectives of the Conference. They are delighted to deeply appreciate the judicious guidance and great visions contained in your message for the promotion of childhood to safeguard the rights of children, sustain care for them and guarantee the proper conditions for their upbringing; and laud the steady progress made, under your wise leadership, in the national policies adopted in the area of childhood protection and interest in their affairs in the Kingdom of Morocco.

The members of the Conference would like to avail themselves of this opportunity to express their greatest appreciation for the sincere efforts your Majesty devotes to serve the causes of the Islamic world, promote joint Islamic action to foster the values of dialogue, coexistence, and peace throughout the world.

We beseech Allah Almighty to protect you, guide your steps towards the fulfillment of your wishes of prosperity and progress for your honorable country and glory and solidarity for the Islamic world. Indeed, Allah hears and answers all supplications.

On their behalf:

Abdulaziz Othman Altwaijri
Director General of the Islamic Educational, Scientific and Cultural Organization (ISESCO)

Bassima Hakkaoui
Minister of Family, Solidarity, Equality, and Social Development
President of the Conference
