

**Letter of Accession
to ICESCO as Observer State**

The representative of

is honored to send this letter to the Director General of the Islamic World Educational, Scientific and Cultural Organization (ICESCO) with a view to acceding to ICESCO as Observer State in accordance with its constitutive charter.

This request is driven by the importance of the issues tackled by ICESCO, mainly in the fields of education, science, culture and communication. Such issues constitute common interests of the two parties.

Thus, kindly requests to accede to ICESCO as an Observer State with a view to effectively contributing to the proceedings of the General Conference, Executive Council and Specialized Ministerial Conferences as well as the other scientific committees of ICESCO along with the other Member and Observer States.
